ANNOUNCING

2015 Annual Campfire Meetings & Deliverance Conference!!!!

Pastor Gordon Dacre and Pastor Paul Norcross

Pastor Gordon Dacre will be joining Paul and Rita Norcross for four inspiring days of family camping, fellowship, and powerful Biblical teaching at The Farm and Maranatha Bible Chapel in Charlemont, MA, USA.

Gordon's prophetic ministry spans over 35 years in carrying out assignments from the Holy Spirit. From service as an officer in the Rhodesian Security Forces when God stepped into his life, to establishing numerous Spirit-filled churches across Africa and the Middle East, Gordon's extraordinary exploits with God and bringing revival, healing, and deliverance will be an amazing time around this year's Campfire Meetings.

A passionate teacher, Gordon's prophetic insight into the working of the Kingdom of God today and our authority to follow in the footsteps of Jesus Christ will be tag-teamed with Pastor Paul Norcross' powerful teaching on hearing the voice of the Lord and overcoming in spiritual warfare. Paul has helped teach and equip over 8,000 pastors in Africa, and hundreds more in Pakistan and India in how to walk in confidence and precision in hearing the *rhema* voice of God.

This will be an amazing gathering of the saints! Come and join us for this informal but Holy Spirit-filling and overflowing conference together with saints from all across the country who desire depth and training under an anointing that is full of the glory of the Lord Jesus Christ! Healing and deliverance ministry will be available all week long among the saints.
