

Empowering Pastors by The Holy Spirit

I thought I was better than many pastors from the entire coastal region because I had gone to a better Baptist bible college and I had a good Christian background. In the first years we had over 600 people coming to our church. Everything seemed well until we started having disagreements in our leadership. The numbers fell down to less than 40 members, and each time there was a disagreement the church split. This continued on and off until I was almost giving up.

One day one of my friends introduced me to Kingdom Faith Ministries International School of Ministry in Mombasa. I learned how to wait upon the Lord in His secret place, and how to dine at the Master's table. These took me back to God. I started making

warfare as the Holy Spirit led me to pray for the entire area. I didn't know that the forces that were against the church were (from) the Muslim community who practiced witchcraft. They had made the area hard for the Gospel to penetrate. I was teaching people theology but not the Rhema word from God. When I started practicing your teaching my church started growing. We have grown from 40 to 356 members in two years.

You Can Help!

1. **You can pray.** We believe and have seen over and over again that those who learn to touch the heart of God touch the world. Please pray for these schools to empower pastors, break yokes from them and their churches, and launch Holy Spirit-led Kingdom-minded ministries all over the world.
2. **You can donate.** Now in our 4th year, we have trained over 8,000 pastors in 45+ Schools of Ministry. We have a waiting list of over 5,000 pastors in ten countries in Africa. Our goal from the Lord is to train 10,000 pastors annually. Each school averages between 100 and 300 pastors, and

costs between \$800 to \$2,200 present (depending on the country).

We have no paid staff and minimal office

expenses. Almost all donations go directly toward our pastor trainings.

God is blessing the message, and it is greater than the messenger. We move forward by the grace of God and the loving donations of those whom the Lord stirs to act.

Can you help?

We Need More Pastor Training Schools!

This is the cry throughout Asia and Africa as word gets around about the caliber of equipping at these four-day pastor and church leader training schools. In their words:

My life totally changed when I started attending the Kingdom Faith Ministries International School of Ministry. After prayers one day I heard Pastor John Amos on the radio talking how to hear the voice of God. Now we know who the Holy Spirit is, how to function in the gifting, and above all how to hear God's voice in every thing. We have seen our church grow from nine branches to twenty two branches .

It is a great challenge to be called to minister as a woman in Africa.

I was invited to attend the Kingdom Faith Ministries Inter'l School of Ministry 3 years back.

Now things have changed after attending the training. (I learned) the importance of relying on the voice of God and not to do ministry by copying others. We learned how to practice hearing God's voice and praying in tongues all the time. The most powerful teaching that changed me was when we learned how to succeed in spiritual warfare and dining at the Master's table, being in the presence of God. Our church has grown from ten people to over seventy adults,. People now recognize my ministry.

Wisdom we have learned to help equip pastors and church leaders:

- ◇ Enjoy the anointing, but **Seek The Anointed One, Jesus Christ**. Drawing near to Him enables greater spiritual authority in ministering to others. Jesus Christ is the head. We study to preach His written Word, and to let His Word abide in us.
- ◇ **The message is greater than the messenger**. Jesus made Himself of no reputation. We refuse to allow others to give us one through titles, self-promotion, etc.
- ◇ **Teach just as passionately to five as to 5,000**. We are not looking for numbers. We are looking for the next Apostle Paul, Peter, and John.
- ◇ **We are not a denomination**. We do not encourage obligation/idol-forming spiritual partnerships, memberships, affiliations, etc. Instead, we mentor and teach those who will be faithful to teach others also. Our only desire is to please the Lord and give to other pastors what the Holy Spirit has given to us:
 - Spirit-filled teaching in how to hear and obey the voice of the Lord Jesus Christ and our Heavenly Father with confidence, clarity, and precision.
 - Understanding in how to effectively operate in spiritual warfare including breaking curses, severing ungodly soul ties, neutralizing witchcraft, healing the sick, and casting out demons.
 - Wisdom to teach how to operate all nine manifestations of the Holy Spirit for effective ministry including gifts of healings, and speaking in tongues.
- ◇ **Effective discipleship happens when students learn to hear & obey the Lord's voice for themselves**. Letting His *rhema*-speaking words abide in us is all about learning what He is speaking to us today, and gathering it as manna for building a church against which the gates of hell shall not prevail.
